Mary Hill Memorial Award Background

The most coveted award that OCETF can present to one of its members is the Mary Hill Memorial Award. This award was established in the memory of Mary Hill, a tireless teacher advocate, a woman with vision and the determination to see it through to fruition. Sadly, Mary succumbed to a premature death after a valiant struggle with cancer. Her federation involvement included serving as a president of OPSTF in Carleton, FWTAO in Carleton and TFC. She also served on the provincial executive of OPSTF and eventually, served two years as their OPS Provincial President. In this capacity, she made determined and successful efforts to assist teacher locals, amalgamating those locals based not on gender, but on choice. This eventually happened province wide, thanks to people like Mary who led the way.
